State of Kentucky Product Lines

AIRTHERM MFG. CO.: www.airthermhvac.com	Fan coil units, propeller/cabinet unit heaters, & convectors.
BURNHAM COMMERCIAL: www.burnhamcommercial.com	Commercial steel firetube hot water and high pressure steam boilers and boiler room accessories
BURNHAM CORP.: www.usboiler.net	Residential / Commercial cast iron and condensing boilers, radiators, & baseboard.
CREATHERM: www.creatherm.com	PEX Radiant floor panels with polystyrene insulation for in-slab, snow-melt and retro-fit installations.
DESIGN ARCH. HEATING: www.designarchhtg.com	Architecturally-styled electric baseboard heaters, pedestal heaters and convectors.
ELBI: www.elbi.net	Commercial / Residential expansion tanks & hydronic heating accessories; Chemical Feeder Filters and Funnels
GRUNDFOS: us.grundfos.com	Commercial and Residential Pumps and Hydronic Specialties. Expansion tanks, air & air/dirt removal, Plate & Frame Heat Exchangers, packaged HVAC & Domestic Water Pressure Booster Systems.
PRO HYDRONIC SPECIALTIES: www.prohydronicspecialties.com	Flow-measuring automatic and manual balance valves, hose and coil hook-up kits.
REHAU: www.rehau.com/us-en/mechanical-and-plumbing	Type 'A' Pex tubing, HVAC controls & accessories for radiant heating, cooling and geothermal systems
REYMSA: www.reymssa.com	CTI certified non-corrosive fiberglass, induced draft & counter flow cooling towers and fluid coolers
RIELLO BURNERS: www.riello.com/north-america	Oil, gas and dual fuel power-fired commercial and industrial power-fired boiler burners
SWEGON: www.swegon.com	The SILVER & GOLD series of one piece and modular air handling units utilizing rotary, plate or coil heat exchangers; chilled beams.
THERMAL SOLUTIONS: www.thermalsolutions.com	High-efficiency hot water copper tube boilers and condensing stainless steel boilers and water heaters; tanks and skid packages.
THRUSH: www.thrushco.com	Shell & Tube Heat Exchangers and replacement tube Bundles for water and steam applications
TRIANGLE TUBE: www.triangletube.com	Wall hung condensing boilers, heat exchangers, combination boilers, and indirect water heaters
TWIN CITY HOSE: http://www.twincityhose.com	Flexible SS braided hose, rubber expansion joints, expansion compensators, V-Connectors and pipe guides
WATSON-McDANIEL: www.watsonmcdaniel.com	Steam traps and regulators, instantaneous water heaters, pressure motive pumps, pressure reducing stations, pilot operated valves
